

Join us as a Governor

**and be a part of making a real
difference in children's education**

**Horizons Education Trust is a SEND
multi-academy trust in Cambridgeshire**

**Are you passionate about positively impacting
the lives and future aspirations of our pupils?**

Are you passionate about improving life chances for young people? Becoming a Governor at Riverside Meadows Academy offers a meaningful opportunity to shape the strategic direction of a group of academies, influence educational outcomes, and give back to the community in a high-impact role.

As a Governor, you'll work alongside fellow AAG members and senior leaders to:

- Shape and uphold the academy's vision, values, and long-term strategic direction
- Oversee financial performance to ensure effective and efficient use of resources
- Monitor pupil outcomes and hold school leadership accountable for educational performance
- Ensure robust governance and compliance with all legal and regulatory requirements

You don't need experience in education to apply - we welcome individuals from all sectors. Skills in finance, HR, law, risk, operations, or business leadership are especially valuable.

This is a unique opportunity to make a tangible difference to the lives of vulnerable young people, while developing your own strategic and governance skills.

Interested in joining us? We'd love to hear from you.
