Class Decision

It is very important that, when making a decision democratically, everyone has a say and a vote.

As a class, pick a topic or issue which concerns you all.

Afternoon lessons

In your own words, explain why this is relevant to your class.

Because we've used none of them like the afternoon lessons. From what I have seen we don't attend

What is your position on the issue?

Not enough lessons that will be resumed later in life such as math and english

What questions would you like to ask?	What concerns do you have?
<p>Why are educational lessons that will be used later in life not offered?</p>	<p>If they should offer curricular lessons like math or english</p>
