### MOVING ON INFORMATION

We were joined by Cambridge Regional College (CRC) and at the coffee afternoon for parents on 8<sup>th</sup> November. We were also joined by the Papworth Trust who showed the opportunities for day training for students. Parents, students, staff, and visitors all found it extremely useful. Information packs are available for those parents and students who were unable to attend.

### MOCK Interview event

On 17<sup>th</sup> October, Natalie Phillips from The Aim Group took students through their interview techniques and providing training and advice on how to complete these effectively. Students had a pretend interview

where they will be able to show off all they have learned. This is an important skill for college and job interviews moving forward.
