MOVING ON INFORMATION

On 27th September we held a moving on event held at Riverside Meadows St Neots to allow students and parents to talk through options for their next steps on leaving the school.

The event was well attended with a talk from Natalie Phillips from The Aim Group who has a huge amount of knowledge about apprenticeships and traineeships. We were also joined by the Additional Needs Pathway team from the Cambridgeshire County Council. Richard is our link advisor who helps students move into post-16 education. Parents also had a chance to talk to their child's teachers. All parents, students, staff and visitors found it extremely useful.

In addition to this event, we will be joined by Camilla Carter at the coffee afternoon for parents on 8th November from 4 pm to 6 pm. She will be able to show you what courses are available at Cambridge Regional College (CRC) and answer any questions you might have.

MOCK Interview event

On 17th October, Natalie Phillips from The Aim Group will be taking students through their interview techniques and providing training and advice on how to complete these effectively. Students will then have a pretend interview where they will be able to show off all they have learned. This is an important skill for college and job interview moving forward.
