## HEADTEACHER UPDATE

Can I please start by thanking pupils for a great term, it feels like we have achieved so much in a relatively short space of time. Can I also thank parents / carers for the ongoing support in helping the school run smoothly.

Since Christmas we have been able to offer pupils more offsite opportunities and alongside our usual offer of equine therapy we have been to The science museum in Cambridge, Glo golf in Peterborough and our Easter reward trip to Fantasy Island.

We are also really pleased with the engagement of pupils in our fundraising efforts and they enjoyed dressing up for comic relief and world book day. Thank you all for the donations.

Thank you all for your feedback from the termly reports and parent / carer questionnaires. It is nice to hear such positive comments regarding the work we are doing.

We are really looking forward to our first summer term in our new school and awaiting the better weather so we can get outside and make the most of our amazing outdoor space.

Can I also take this opportunity to thank the staff team for there continued hard work in establishing the school and continuing to build those essential relationships with the students. The hard work is very much appreciated by the senior leadership team here and those in the trust. Thank you All.

If you do have any feedback or concerns please contact your form tutors or you can email me directly at [headteacherwisbech@riversidemeadows.cambs.sch.uk](mailto:headteacherwisbech@riversidemeadows.cambs.sch.uk)

Hope you all have a lovely Easter break and everyone comes back refreshed and recharged ready for a busy summer term.

HAPPY EASTER!

Chris.

*Thank  
you!*

**for your amazing feedback.**

**‘The school is exceeding in all areas, my child is happy, safe and getting the education taught to him. I am delighted my child gets to call this his school. My son is making amazing achievements and is now pushing himself to do better.’**

**‘Communication with the school has been amazing, no issue is too big or too small and the SLT communicate’**

**‘My child is very settled and talks positively about the school, she is discussing her day and friendships and discussing these with me openly each day’**

**‘Our child is thriving at this school, as he is now getting himself ready for the taxi and getting on the taxi to go into school, having a great day and returning overall really happy. This lines up from the communication from his form tutor.’**

## SCHOOL UNIFORM

Reminder – Please that uniform should be plain dark trousers and tops. The ONLY hoodies allowed in school in January will be the school logo'd ones.

Shoes/trainers should be dark, and although PE kit is available, anything is acceptable, as long as it is a change of clothing, and suitable for physical activity.

Please ensure your child has PE kit in school for the days they have PE – if they bring it in on a Monday, and take it home on a Friday, they also have it in school should any 'bonus' PE sessions become available.
